

INFOSHEET

BUFFER ZONES

Dow AgroSciences

Curfew®

Soil Fumigant

®Trademark of Dow AgroSciences LLC

A buffer zone of at least 30 feet around each application area must be established.

An application of Curfew® soil fumigant shall not be made within 30 feet of land not under the control of the owner/operator unless written permission is obtained from the property owner to allow such land to be included as part of the buffer zone.

Conspicuously post small DO NOT ENTER signs along the buffer zone or boundary lines when treated area is greater than 30 feet from the edge of the property under the control of the owner/operator.
